
MK Nagabhushan
Assistant Vice President
Tata Business Excellence Group

Mr. MK Nagabhushan (Nagu) is engaged in assisting and facilitating the progress of Tata companies in their business excellence journey. In his current role, he oversees and manages various processes like TBEM Assessment, BEBP and Assurance Surveys. He also contributes to group events like the Business Excellence Convention (BEC) and the Annual Group Leadership Convention (AGLC). Nagu has had a previous stint with Tata Business Excellence Group (TBExG) during 2001-07, when he handled Account management, Training and Consulting responsibilities.

Nagu has an experience of 32 years, of which he has spent two thirds in the Tata group. Prior to his current role, he has had stints in Trent, Trent Hypermarket and Kirloskar Engines, wherein he has worked towards a multi-stakeholder approach to organisational progress. He has facilitated assessment and evaluation of enterprise process effectiveness. He has also created, managed and spread the use of an improvement management system and led the internal communication programme in these companies. Earlier to these stints, he has worked in Tata Honeywell, Philips India and Bells Controls Ltd.

Nagu has also had several overseas assignments for assessment, management workshops and training. These include Tata Daewoo - Korea, Tetley - UK, Tata Motors - UK, Tata BlueScope Steel - Sri Lanka, TCS - USA and Tata Power - Singapore.

Nagu holds a Bachelor's degree in Mechanical Engineering from the University of Mysore. He has also undertaken a course in Value Engineering conducted by the Value Foundation Society (USA). In addition, he holds a Diploma in Exports Management through correspondence.
